CALVES AND YEARLINGS

FROM ANOKA HERD  
WAUKESHA, WIS., AND WHEATON, ILL.

Saturday, November 27, 1920

SALE AT THE HOME FARM, WAUKESHA, WIS., AT 1:00 O'CLOCK P. M.

Residence. Ten Heifers at Wheaton Farm in Sale.

The Sultan blood has and is still giving the breed its greatest types. Anoka Shorthorns are the results of good sires, top matrons, rich blood-lines and rational care.—Geo. E. Martin, Breeders' Gazette.

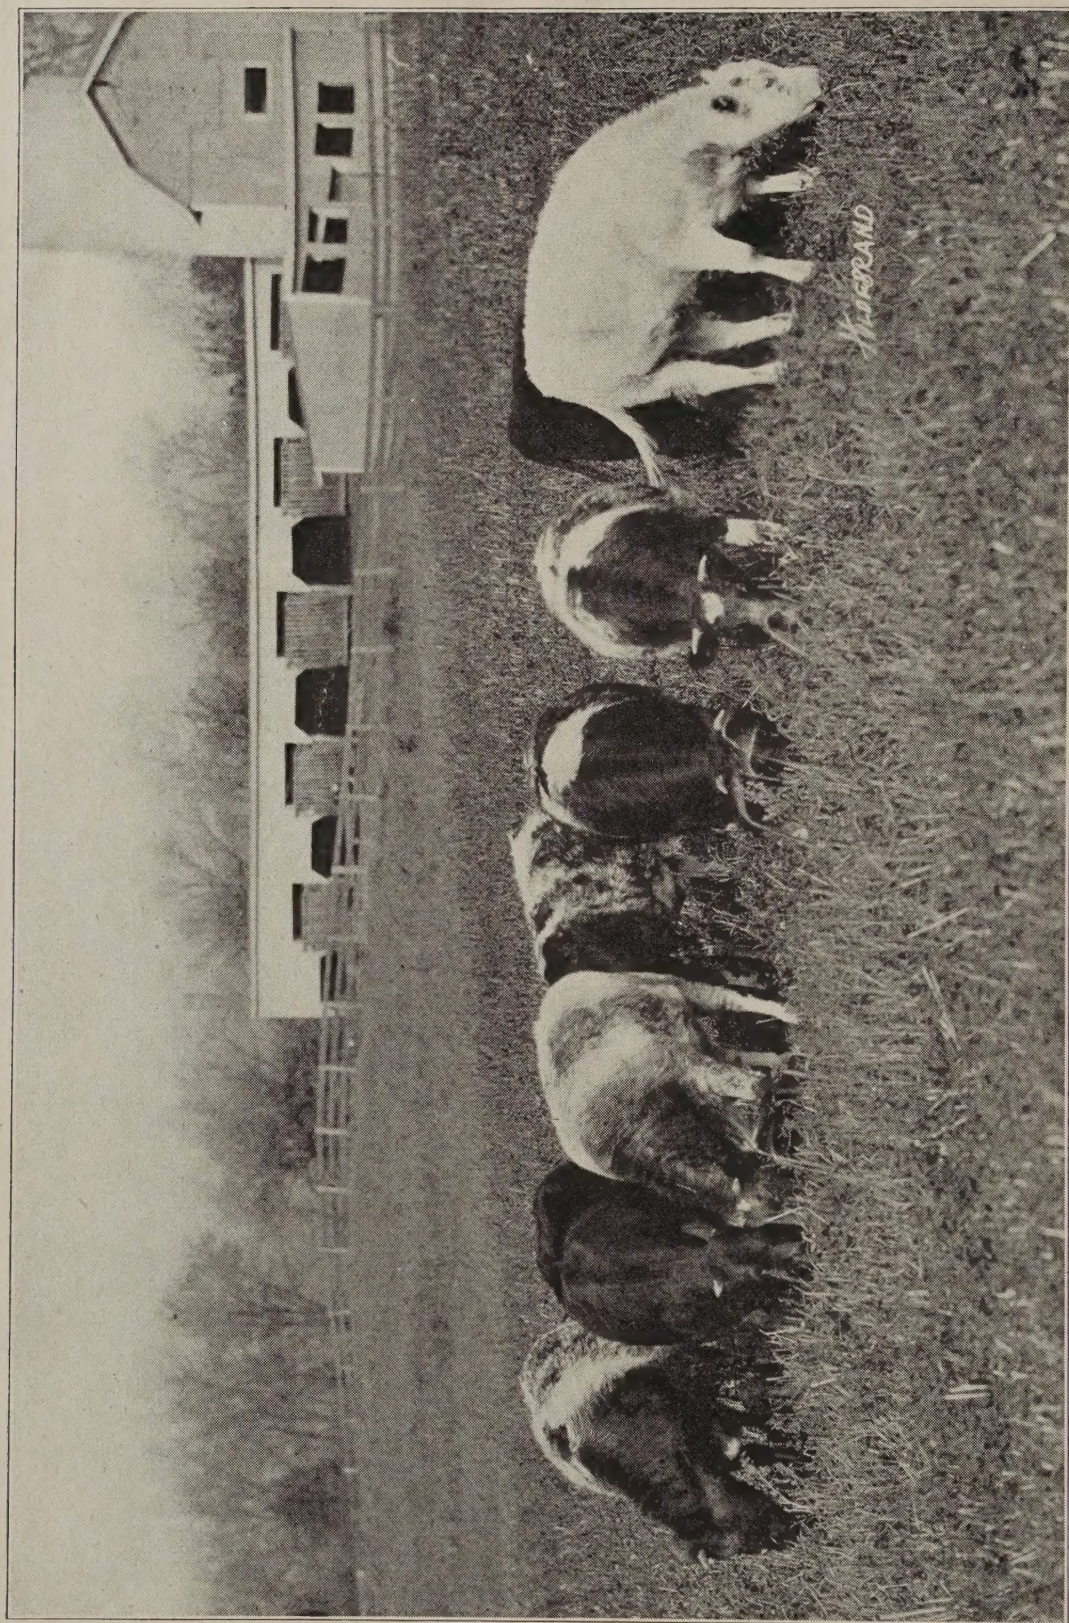

In the years that have passed we have marveled at the product of this establishment and have thought that surely the climax had been reached and that nothing better could be expected. But this annual auction will present a little more uniformity, a more impressive study in type and a finer exhibition of quality than one has ever seen heretofore. Here indeed constructive breeding has achieved a triumph and years of patient effort are justified.

One cannot observe the great results that have been obtained in this herd without realizing anew what the blood of Whitehall Sultan has meant to the breed in America. Of all his descendants, that great roan progenitor, Lavender Sultan, now stands out as a leader. It is such as he that has made Shorthorns the most popular because the most useful breed. A visit to Anoka for the sole purpose of studying his type and evidence of quality would repay any Shorthorn breeder. Strong, level, deep, thick in flesh, with powerful quarters, great in heart girth, he stands on short, sturdy legs. His magnificent coat of rich roan is most pleasing to the eye. His head and neck show strength of character and yet possess no sign of viciousness. They fit snugly into well laid shoulders that leave no evidence of coarseness. He is still a young bull, yet a number of his get have matured and produced. We have seen that the expected has occurred and that his value as an individual is exceeded only by his value as a sire.

Along with Lavender Sultan and closely resembling him in everything but color, stands that great white descendant of the great improver, Regal Stamp. So uniform are the catt'e of Anoka's herd and so much of the same blood is in these two bulls that it is futile to point out wherein one exceeds the other as a producer. Certain it is that in the purchase of cattle from this great establishment one gets the value of most thorough consistent and conscientious effort by men who know type, recognize quality and can combine the two in producing the most effective result.

A few days ago we were permitted the opportunity to study this offering, the cows from which they were produced and the two great bulls that sired nearly all of them. It was an inspiring sight. It showed that here at least improvement in Shorthorns has not stopped and that future generations as well as the present are deeply indebted to this great establishment of Anoka for thorough, constructive cattle breeding.—Will Johnson of the Shorthorn World.

Princess Butterfly, Augusta Anoka 11th, Columbia Anoka 2d, Anoka Crocus 3d, Beauty Anoka 4th, Miss Ramsden Anoka 2d, Anoka Crocus 2d and Beauty Anoka 5th.

**PEDIGREES:** A certificate of registry and transfer in the American Shorthorn Herd Book will be furnished for every animal.

**TERMS:** Cash, except other arrangements are made before the sale. All stock will be loaded on cars after the sale without trouble to purchaser. Everything insured in the Hartford for thirty days at purchase price. Through this cover buyers are given the opportunity to insure at 6% for ten months extension.

We reserve the privilege of showing at the International some of the animals cataloged.

**GUARANTEE:** It is not usually customary to guarantee show cattle and young animals under breeding age, but we stand back of our cattle when properly handled, making good any animal that proves barren, by furnishing another as near the same value as possible. All have passed the tuberculin test, and are sold subject to sixty-day retest by federal or state veterinarian.

Mail bids can be sent to the auctioneers: Carey M. Jones, Scotty Milne, Roy Housman or Geo. E. Martin, Breeder's Gazette; Will Johnson, Shorthorn World; Fred V. Johnson, Pierce Weeklies; Maurice Winn, Drovers Journal.

**WAUKESHA** is on the Soo Line Railway, 90 miles north of Chicago; also Milwaukee & Madison Division of the Chicago & Northwestern Railway; also Prairie du Chien Division of the Chicago, Milwaukee & St. Paul Railway; also Milwaukee-Waukesha Watertown Interurban. Interurban cars leave terminal station, Milwaukee, every hour on the half. Time between Milwaukee and Waukesha 50 minutes. Sale at Home Farm, located within the city limits of Waukesha; 1:00 o'clock, Saturday, November 27, 1920.

**SPECIAL TRAIN SERVICE** from Chicago 8:30 A. M., Chicago & Northwestern Railway morning of sale, returning to Chicago at conclusion of sale. All attending via Chicago are requested to come by this train.

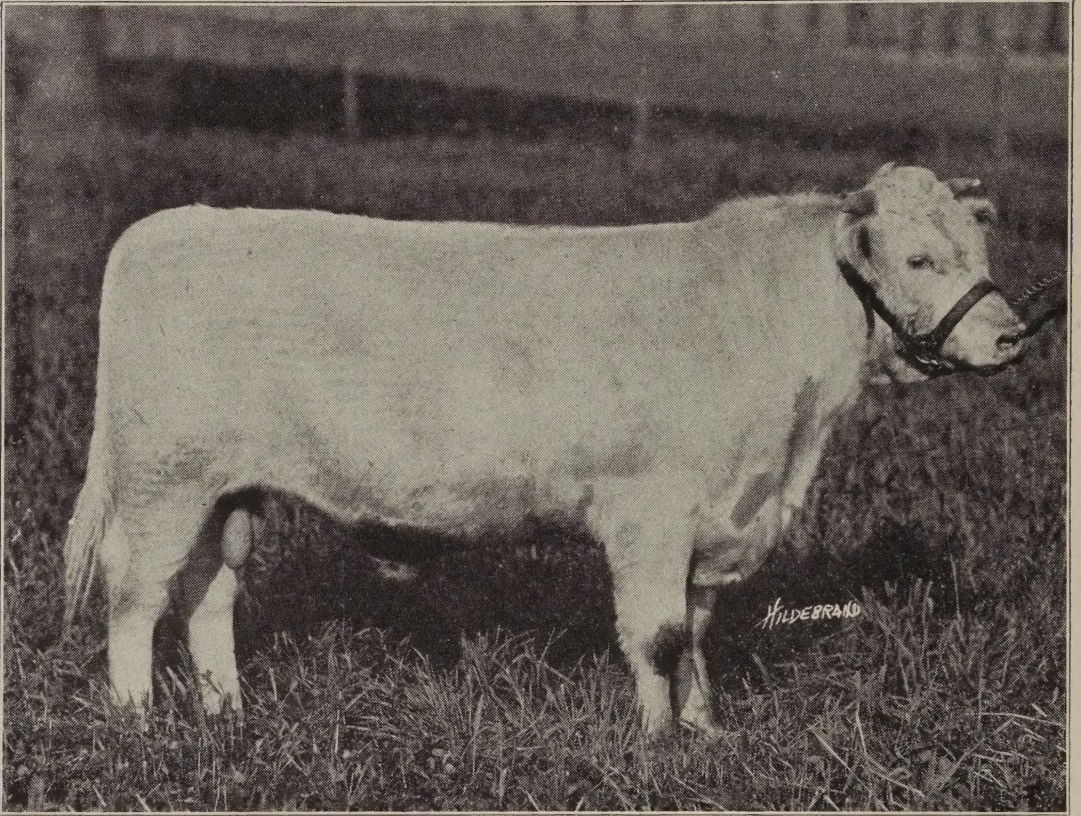

We extend to you a cordial invitation to attend the sale.
